SHARING SKILLS~ BUILDING CONNECTIONS

9th Annual

SHARING SKILLS – BUILDING CONNECTIONS CONFERENCE

Partnering for Opportunity

May 14, 2012

Sturbridge Host Hotel and Conference Center

2012 CONFERENCE SPONSORSHIP

What's the conference about?

Sharing Skills-Building Connections: Partnering for Opportunity provides community education and training programs, housing services, youth employment, homeless services, adult basic education, community colleges, career centers, and supportive services agencies from across the Commonwealth with the opportunity to improve their programs and practices; build connections across the workforce system; share skills and experiences; and equips attendees to better provide services to thousands of underemployed and unemployed people moving towards economic success.

Who Attends?

- 500 professionals representing community, government, and educational organizations.
- Managers, executive directors, job developers, counselors, case managers, instructors, and public policy makers.
- Conference attendees represent organizations that support residents in communities across the Commonwealth.
