KEY RESPONSIBILITIES

Loan Servicing & Asset Management

- Receive asset management requests, including refinancing, subordination requests, and other loan modification requests from borrowers.
- Ensure each borrower is current, or brings their project current, on compliance requirements prior to approval of pending loan modifications.
- Review borrower requests for complete documentation and notify borrowers of the need for additional documentation as well as the asset management fee.
- Maintain summary reports of outstanding requests and documentation matters.
- Assist project managers and senior management with the review and processing of borrower requests.

- Track upcoming maturity dates for state supportive housing loans and coordinate extension requests and due diligence review with project managers and the Director of Supportive Housing.

HLC Portfolio Monitoring & Compliance

- Assist HLC in monitoring the supportive housing loan portfolio; coordinate with HLC's monitoring consultants to track borrowers' compliance, including submission of monitoring reports and compliance materials for supportive housing loans.
- Receive and review annual borrower cashflow reporting and assist borrowers to complete cashflow reports as needed.
- Bring compliance issues to the CFO & COO and assist with the resolution of those issues as needed.

Legal & Documentation Support

- Assist with the assignment and appointment of attorneys for the FCF loan program.
- Perform quality control review of loan documents related to supportive housing loan programs prior to execution, and forward to CEDAC's authorized signatories for execution.

Funding Rounds & Database Management

- Coordinate CEDAC's participation in state subordinate debt funding rounds with the Director of Supportive Housing, assisting with scheduling, preparing agendas, and summarizing funding recommendations to HLC.
- Record project information in the lending database following HLC's press release announcing funding awards.

Loan Closings

- Receive closing binders from staff and legal counsel responsible for permanent loan closings, update the program database, and ensure closing materials are properly filed.

Grant Support — Children's Investment Fund

- Provide grant closing support for the capital grant portfolio: review draft grant agreements, obtain authorized signatures, receive and save closing binders, and update the lending database.
- Provide compliance tracking support for the capital grant portfolio: maintain the tracking tool, email grantees compliance deadlines, receive and file compliance material, and update the lending database.

Audit, Archiving & Administrative Support

- Respond to audit confirmation requests from borrowers and oversee the work of administrative support staff assisting with the completion of requests.
- Archive closing materials and maintain specific components of the Lending Database.
- Assist with digitizing documents to replace paper archives.
- Assist Housing and Information Technology staff in responding to data requests from partner agencies.
- Attend program, department, and agency-wide meetings to foster communication and collaboration.
- Assist staff members with other tasks as needed.

WHAT WE'RE LOOKING FOR

- Bachelor's degree in a related field
- 2 years of experience in real estate development, law, lending, loan portfolio management, housing, or economic development (a Master's degree may substitute for one year of experience)
- Strong results-orientation with planning, strategy, and accountability skills to meet objectives and timelines

- Effective written and oral communication skills, tailored to audience and purpose
- Advanced customer service orientation, responsive, kind, and effective in guiding clients and stakeholders
- Strong collaboration and teamwork skills across diverse teams
- Advanced proficiency with Windows-based software applications, including word processing, spreadsheet, database, and Internet applications
